Application for Student Membership

Students undergoing education in agricultural engineering or related subjects may apply for membership as Students for up to five years free of charge. Student members do not have voting rights within the Society but otherwise have the normal privileges and responsibilities of membership.

Student membership is renewable yearly. Applications must be authenticated by the student's Professor or Head of Department. Acceptance into the category of Student will be considered provisional until ratified by Council.

Surname	
First name(s)	
Address	
Country	
Email
