

# Young Engineers meet VDI-MEG and EurAgEng

Join us for an informational and networking session “**Young Engineers meet VDI-MEG and EurAgEng**”. The program will describe VDI-MEG and EurAgEng activities and gives the unique opportunity to meet members from VDI-MEG and EurAgEng.

Max Eyth Society for Agricultural Engineering (MEG) represents a technical division of the Association of German Engineers (VDI), EurAgEng is the European Society of Agricultural Engineers promoting the profession of Agricultural and Biosystems Engineering. The short presentations will be followed by an informal **social networking session**. Learn more about VDI-MEG & EurAgEng and find out how you can get involved with these organizations who are promoting the profession of Agricultural and Biosystems Engineering and the people who serve it.
